Are you looking for a special gift, a token of sincere appreciation or a thoughtful present for a colleague, employee, friend or loved one?

Consider giving Pure Canadian Maple Products...

Nature's Gift

For many people, the words "maple syrup" and "maple sugar" kindle fond memories of quieter, simpler times. Maple syrup production has always been associated with traditional values such as hard work and dedication to quality.

Maple products are healthy, natural foods that are distinctly Canadian.

We have a wide range of maple products, from our quality maple syrup to our specialty items such as maple butter, maple jelly, and maple mustard.

At Mapleside we continue to develop exciting new additions to our maple product line. Please check our Web site for our latest product list.

We use a combination of traditional methods and the newest technology, which allows us to guarantee purity and quality.
